As a provider of a continuing education (CE) course registered in the BOC Approved CE Course Program, your organization is entitled to the Benefits for Providers of Approved CE Activities. Terms and conditions include the requirement that course providers submit to BOC documented attendance

at registered courses by BOC certificants. **Your registered course is valid through December 31, 2020.** After that year, you are required to renew the registration of each course you wish to continue.

All submitted course records must take the form of an **MS Excel spreadsheet**, which includes the following information: the course title and completion date; the name(s) of the BOC certificants only who completed the course; the number of credit hours awarded; and, the category. Each course record must be submitted to BOC (**preferably by email to ce@bocusa.org**) within sixty (60) days of attendance of a course by a BOC certificant. **We ask that you help us serve our certificants by listing your course as BOC-approved on appropriate course sign-in sheets and marketing materials.**

Additionally, please notify me either by email (karen.lawson@bocusa.org) or telephone regarding any new, additional or changed dates and locations for this course(s) to be accurately noted on BOC's website.
